Summer of Self-Care

Make the most of this summer for you and your family by prioritizing your overall health and wellness. Whether you focus on your mental, emotional, or physical health, your Teamsters Local 986 benefits are always available for you to take full advantage of. One way to invest in your health is by visiting one of our two Marathon Health clinics. With a range of primary care services offered, you can receive personalized, convenient care and stay healthy without having to break the bank.

Visit marathon.health to schedule an appointment and get started on your road to better health.

Marathon Health Has You Covered

As you focus on your health this summer, turn to one of our wellness clinics for services. Our clinics, operated by Marathon Health, are here to provide you with well-rounded care whenever you need it. Members and your families who are PPO or HMO plan participants can receive same-day or next-day care at no additional cost.

Marathon Health accommodates *your* schedule by offering flexible times and many ways to receive care, whether by video, telephone, or an in-person visit. With a scheduled appointment, you'll spend little to no time waiting to see your provider. Instead of sitting hours in a waiting room, the majority of your visit will be spent connecting with your care team to discuss your health concerns and goals.

Schedule an appointment at one of our locations to receive any of the following care services:

- **Wellness and preventive care**, including chronic care management, annual physicals, and immunizations
- **Immediate and sick care** for a range of illnesses, injuries, and infections
- **Onsite lab services**, screenings, and tests
- **Proactive care coordination**, referrals, and follow-up appointments
- **Virtual care** (via phone or video) for routine checkups, mental health support, medication refills, and more

If you're ready for an enhanced health care experience, visit [marathon.health](#) and select **Register** in the top right-hand corner to create your account. Once you're logged in to your patient portal, you must schedule an appointment before visiting one of our clinics.

Choose from one of the locations below when booking your appointment:

6275 Centennial Center Blvd., Suite 150
Las Vegas, NV 89149
702-757-1781

7399 South Jones Blvd., Suite 3
Las Vegas, NV 89139
702-757-1781

Need Care After Hours?

The Marathon Health wellness clinics offer a 24/7 after-hours call center that you can contact to speak with your care team. They'll help you address your health concern by connecting with you virtually, scheduling a visit for the next business day, or directing you to a location nearest you for convenient care.

Connect with the after-hours call center by calling **702-757-1781**, or download the Marathon Health app from the **App Store** or **Google Play**.

Vision Benefit Update

Starting June 1, your VSP-provided vision benefits now cover contact lenses 100% up to \$160 every 12 months, an increase from the previous \$120. To take advantage of this enhanced benefit, visit [vsp.com](#) and select **Find a Doctor** to find a provider near you, or call **800-877-7195** to connect with member services. **Note:** No ID cards are necessary at your appointment—just tell them you have VSP.
